THEY ARE Outside of What the Government Consist of!

It's Only the, This Matter Be Resolved! It's Just Procedure!

Why do I have to keep complaining to about People applied for Employment in a Career in Law & Government which they Refuse the duties & the law it self, that automatically set grounds for Exemption, fines, arrest Sentencing & Jail time. This Committee Literally Caused, That Exemption. In A Conspiracy with Wanted Fugitives, that was criminally Allowed to Escape they Sentencing & Justice, For Criminal acts, Using Prostitutes In Exchange for Justice, The Federal Government of The United States of America "Breached" Causing A Terriest Attack On the Nation. The Supposed to Provide Services for the People Using the People Tax Paying Dollars, to keep America going. In A Conspiracy with Escapee they Chosed the Complete Opposite & Enforced it 365 day per year 24/7. - Failure to Resolve/Justify this "Ongoing" Attack. We the People Lost A Judicial System, Causing it to Be Illegal, Because No Law Can Exist Without Justice, Because it Can't Stand!

It' Could Never Be Enforced without Justice in the 1st Place! Still There's Brutality, Homicides, Rapes, Molestation, Robberies & Bribes... & Other Racist Hate Crimes Presently taken Place. For who Can Claim the Earth as Ownership? We all as United States Citizen, Applied for Employment in different Fields & Occupations, But no one Can Claim the Earth as There Own! Why did they Organizing themselves together, as just Citizens claiming this Country or whatever Citizen Here AS Ownership to do what they Please with? How Can this Superior over the other Exist?, Considering Person to Person. The Federal Government, that's Made up from, just Citizens as everyone Else live Here. Commit these Crimes against the Public & Society - Can't Be Brought to Justice, Because they all One way together. Meaning they're Only Concern is the Other Instead of People & Society. Which no One Has to Be Spent of! How could it BE Forced? Having Nothing to do or Wanting Nothing to do with THE (NO Justice)! Especially A (1 sided) Way Group of People Name (Committee). DATE?

They are Refusing The Constitutional Rights of I myself &
The People! Instead of Enforcing the people's Concerns
 & Rights - which was the Purpose for the position - Opening
 IN The 1st Place - to Be Applied for or filled or Having a
 Campaign Ran Premising the wants of the people if Hired or
 Election won - Not to tell the people - It's there want or we
 suffer! I myself nor anyone else have to put up with that
 Type of Behavior or Criminal activities. Do what A wanted
Fugitive Say! That Prostitute & Been Sentence or any Crimes
 They imposed, That Considered A Consequence, if Not! Advocacy
 for Support of A Hate Crime, Molestation, Cruel & Unusual Treatment
 or Punishment Because of Sexual Bribes, Thefts, Brutality
 Extortion, Burglary, invasion, Stalking of any kind, & Everything Else.
 Since day 1 It could'nt Be Considered Precedure, But Made
 The Effort to Enforce This Continuing Instead of The Same
 Effort to Stop it! 365 days a year 24 hrs a day just isn't
 A Mistake! As Clear & Big as day, Someone go out & Commit
 Crimes Airing it & People That have Absolutely Nothing to do with
 Him / or Them Put in Custody to Suffer, while they Escape Justice
 & Have their lives spared. Why would anyone else supposed to
 Suffer & Be Imposed. This is Insane! How do you Compromise
 it? You Can't! Just like This Group is unfit so can Another
 Be unfit as well! (5 yrs) strict & nothing done about it. Who would
 want any parts of This or allow it to Be such Thing?
 The People Always ^(is) Before Any Organization, Put together!, to
 destroy The Public! Using, Injustice terrorism, Escapes & wanted fugitives
 as Prostitutes That Must have their own way or else, Calling it Procedure.
 These Peoples aren't Qualified Enough to Set or Make Indefinite decisions for
 The Peoples Instead of whats Wanted By the People far filled! They Make
 People Inforce The Own Personal wants or Things People aren't
 Entitled to Be Part of & nothings done about it! (Justice)!

The Judicial System - (Police Dept.) State of New York don't have the same concern as far as crimes being resolved with me compared to my attacker going global about his topic "He Was Left Incarcerated" as a stick up man with Videos & Home Invasions, Robberies, Guilty Pleas, Poisoning & More, as an Attack on me / Or A "Celebrity" ^(Pay-2) Paying \$1,500. Bi Weekly To Continue My Suffering (Prolonging) This hate Crime, when it was "Consent" - There Be No Problem - detaching me! But kept me in the custody - Regardless of hate & being torched! I'm just in A Situation for being attack, doing nothing to deserve - the Affiliation & ~~Conditions~~ ~~or~~ Restrictions Worse than A Murderer! There's NO Reason for me to Continue Being in Custody!

Since "2013" I've been getting robbed. After paying taxes
being Eligible & Certified, I still have this problem.
The Correct amount is \$700 on the 1st of the month & \$400
on the 3rd of the month; & the 6 month which is May
& November is \$2000. All I Receive is 306! I been to the
Administration Back & Forth and was told I'll Receive a Debit
with the full amount the 19th of March 2019 in 2 days
U.P.S & it's a \$13.00 Charge. After complaining for years. Then
after I Receive the debit (direct Express) card, it's not nearly the
Correct Amount Considering \$700 ^{1st} & \$400 ^{3rd} Every sixth Month, which is
May & Nov. Supplement & the Balance from 2013. It's only \$613
on it then Ripped me off 4 month after & told me I had already
Received A month in advance meaning an additional 306
Instead of the full amount & the Balance from 2013. I'm entitled
to the full amount. I don't know why this is still a problem, but
they should be Fined & Arrested, But I need what's WRightfully Mines!

(Robbery 1-3 May) & Cover up with 1 year & 4 months
SSI → (2013) & 2020 This Month after all the Stimulus &
SSD & Difficulties Being DEPRIVE All the year
To The Amount Sender! Thank you! Tony Wilson

Why I don't Have the Full Amount
& Refund! It's the Same Method used
When the #306 WAS type in, Instead of
the full amount. Just type in the Correct
Amount. (Master Reset) *Can you Order Fix? Notify

What is Daron Maret doing My Attacker - That was Picked up & Caused a terrorist Attack as a Prostitute! That's still an "Ongoing" Problem, me being in Custody & using the Country to be one way about it! Why am I Apart of him "Not going" to Prison Situation. I got to be in Custody 24 hrs a day 7 days a week Morning til night & all through the Midnight hours. as his Companionship or waiting for him or the others to catch an attitude & suffer hours of an Execution from Lethal Weapons Back & Forth! My hands are tied with these devices in my ears, I just can't take cover or get out the way of them. They Chase me, I'm a signal on they're Computer... (Tracking Device) transmitter! What Globalize Deal Daron made, for me to suffer while he prostitute all these years Every Minute of a second of the day I'm suffering & he's Out hands Free Calling Shots. (Controlling) What type Procedure is this I can't have a Response. How much I'm supposed to bare him talking in My head & Answering out people mouths or whatever Citizens, there. I don't have an Relationship with these Fugitives to sit in My skin or head like a cell phone I didn't give a Number to. They must detach Me like they came and tied me up to them. The whole time the President was in Seat & Position He was considered Responsible for Everything in the Country! No Freedom of Speech, No Justice Racial Hate Crimes Ongoing-Law Enforcement (NYPD) Not following Procedure, Because of Permission to do what they want or whatever other Reason.

Once Impeached, This Should have stopped! Why hasn't there Any Results? Why didn't the Others already have taken the Stand in front of the Grand Jury? Instead of this childish game of make believe, & pretend with me attacked in Custody & NO Respond. Ignore the need to have this resolved! What Reason am I, supposed to be Suffering? Discipline, Corrections of some sort? Being Abused! Because of An Sexual bribe!
